

New Year Eve Safety Tips

Traveling Tips

- ◆ Check the weather in advance so you can properly prepare.
- ◆ Try to have at least half a tank of fuel at all times.
- ◆ Do not use cruise control when driving on a slippery wet or frosty road.
- ◆ Increase your following distance if the roads are wet or snowed.
- ◆ Check your tires—for sufficient air pressure and thread.
- ◆ Ensure your battery has enough energy—remember power drops as the temperature drops.
- ◆ Accelerate and decelerate slowly
