

Friends of the Douglas Public Library

WHAT DOES IT MEAN TO BE A MEMBER OF THE FRIENDS OF THE DOUGLAS PUBLIC LIBRARY?

Annual dues provide support for a variety of projects and activities. Some of these projects include:

- ❖ The Children's Summer Reading Program
- ❖ Special events and guest speakers
- ❖ Purchase of furniture, equipment and library materials

Many members volunteer their time at these functions, as well as help out at our used book sales.

Membership in the Friends of the Douglas Public Library is open to anyone interested in lending support, either financial or volunteer, to our local library.

Our three categories of membership are:

1. **Regular Individual Membership** at \$5.00 per year, primarily for people who wish to join and who may want to participate in activities.
2. **Contributing Membership** at \$10.00 per year, primarily for people who want to lend financial support and/or will be unable to participate in meetings and regular activities.
3. **Patron Membership** of \$25.00 per year primarily for business and professional people and for individuals who want to assist the "Friends" with additional financial support.

If you wish to join the "Friends," please complete the form below and mail or return it with your check to:
