DOUGLAS, AZ – City of Douglas has been featured in the August 2020 issue of Business View Magazine. According to their website, Business View Magazine “is North America’s best source for news for executives, entrepreneurs, small business owners, franchises, and one else interested in current industry trends and best practices”.

The story speaks to the City’s commitment to community and economic development. The 7-page spread covers the City’s ongoing development efforts highlighting projects such as the Downtown Revitalization, the Two-Port Solution and the Urban Design Study.

Mayor Donald C. Huish recognized the Douglas community for this accomplishment stating “We are all excited to have our community featured in this well-recognized magazine. This was made possible due to the wonderful citizens, business owners and workforce of our community. My congratulations to Douglas!”
