Notice required by A.R.S. § 9-495, as amended by SB 1382

Arizona Revised Statute § 9-495 requires in any written communication between a city or town and a person to provide the name, telephone number, and email address of the employee who is authorized and able to provide information about the communication if the communication does any of the following:

1. Demands payment of a tax, fee, penalty, fine or assessment;
2. Denies an application for a permit or license that is issued by the city or town; or
3. Requests corrections, revisions or additional information or materials needed for approval of any application for a permit, license or other authorization that is issued by the city or town.

An employee who is authorized and able to provide information about any communication that is described above shall reply within five (5) business days after the city or town receives that communication.
