

City of Douglas, Douglas Rides  
Press Release

**Douglas, AZ. February 21, 2019.** Due to forecasted winter storm that will impact various areas of Cochise County inclusive of Douglas, we're asking our community to stay tuned for updates regarding road closures, delays and possible suspension of normal activities. As long as road conditions remain safely passable, we will continue operations, however weather can change drastically at any time. Weather and road conditions can also be quite different from one area to another. If the weather becomes too severe for regular operation of any route or service, Douglas Rides will announce the suspension of service. Information will immediately be posted throughout official Douglas Rides web communications, including Facebook.
