

## CITY COUNCIL REPORT

**DATE:** April 2, 2019

**TO:** Mayor and Councilmembers, Department Directors, City Manager

**FROM:** Humberto Rivera, Transit Manager

**CC:** Jerene Watson, Interim City Manager; Department Directors

**SUBJECT:** Response to question from Council regarding route in Downtown area

This report is in response to a question from Mayor Uribe and Councilmember Grijalva regarding Douglas Rides buses traveling through "G" Ave. and riders being able to see and shop in businesses along "G" Avenue.

### **DISCUSSION:**

The City of Douglas has managed "Douglas Rides" since 2012 providing transportation services to riders. It currently has five routes, two of those routes are Midtown and Pirtleville/Bay Acres which provide an overview of the downtown area by arriving at bus stops along "G" Avenue and "F" Avenue from 11<sup>th</sup> Street to 5<sup>th</sup> Street every hour from 8:00 am to 4:30 pm Monday to Saturday.

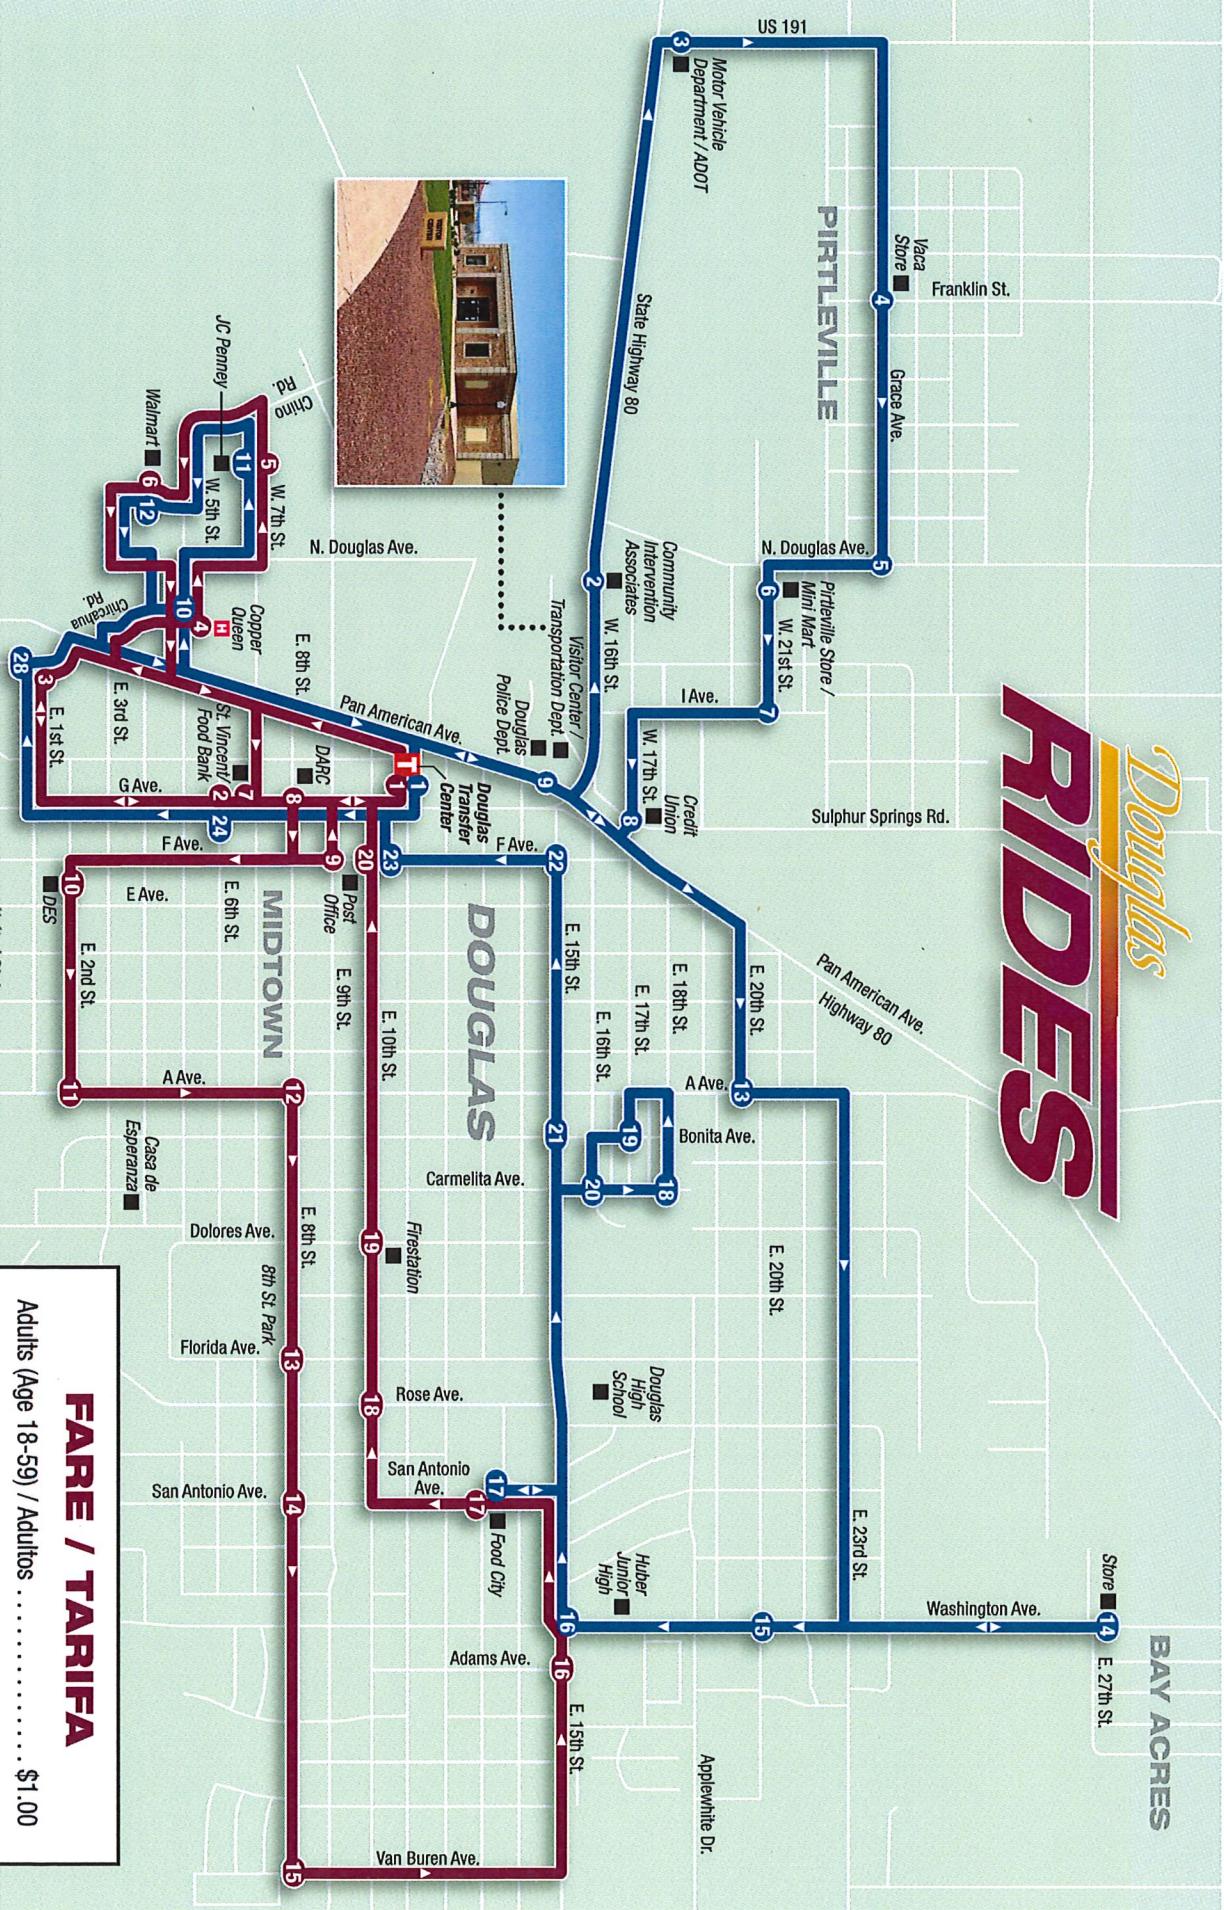

A Rider's Guide can be accessed at City of Douglas Transit website under Public Transportation <http://www.douglasaz.gov/DocumentCenter/View/206/Complete-Bus-Schedule-PDF?bId=1> where all current bus schedules are listed (see attachment). Midtown and Pirtleville/Bay Acres routes stop at the Library, Gadsden Hotel, 8<sup>th</sup> Street and "G" Avenue, St. Vincent de Paul, the Douglas Port of Entry as well as WalMart, the Copper Queen Clinic, J.C. Penney, Stage and Dee Dee's.

Our goal is to serve our residents and the public, and these routes are intended to support businesses as well as the needs of our citizens. I am happy to discuss ways to improve or areas you would like to see directly served in the future.

### **RECOMMENDATION / CONCLUSION:**

This report is for information only.
