

Public hearing

The City of Douglas is pleased to announce the ground breaking for the Bay Acres and surrounding community sewer Connection Project.

You are invited to find out more and provide comments at this public hearing on January 9.

The City of Douglas in partnership with Cochise County and USDA issued a contract to KE&G Construction, Inc. Coordination has begun and is projected for the contractor to mobilize to the site around mid to late January.

TOPICS FOR DISCUSSION

TIMELINE OF THE PROJECT

Construction is scheduled to begin mid to late January 2020 and continue through December 2020.

TRAFFIC CONTROL PLAN

Safety of residents and workers is always the top priority of any project. Measures will be taken to safeguard the community throughout construction.

ACCESS TO PROPERTY

Crews will require access to the property to complete connections at a determined time in the project. While the crews strive to limit the disruption to residents there will be times when resident access to the property will be restricted.

QUESTION AND ANSWER

Representatives from the City of Douglas, Cochise County and KE&G Contractor will be providing an overview of the project. Residents are encouraged to share any questions or concerns they have regarding the project.
