NOTICE OF POSSIBLE CITY OF DOUGLAS WATER AND SEWER RATE INCREASES

The City of Douglas is proposing increases to the Douglas Water and Sewer Base and Capital Improvement Plan (CIP) charges and Water Consumption Rates. The proposed rate increase to the Water and Sewer Rates are as follows: Water Base and CIP charges – (Years 1, 2 and 3) 2.5% increase per year, (Years 4 and 5) 3.5% increase per year; Water Consumption – (Years 1, 2 and 3) 5% per year, (Years 4 and 5) 8.5% per year; Sewer Base Charge (Years 1 – 5) 4% increase per year. The proposed rate increases will tentatively be brought forward for consideration at the September 8, 2021, October 13, 2021 and November 10, 2021 Regular City Council Meetings. If approved in all three meetings, these changes will go into effect December 15, 2021. The annual increase in the average in city limits residential water and sewer customer bill per month will be an estimated \$1.67. The average in city limits residential customer bill at the end of Year 5 will be an estimated \$8.36 per month.

There will be an opportunity for public comments regarding the proposed changes to the Douglas Water and Sewer rates, at Public Hearing to be held on November 10, 2021 at 5 p.m. at City Hall 425 10th Street. If you have any questions or comments, please contact Monica Miranda, Finance Manager, at (520) 417-7333.
