In response to the Coronavirus Pandemic (COVID-19) the United States Department of Housing and Urban Development (HUD) allocated the City of Douglas \$200,518 of CDBG-CV funds to be used to prevent, prepare for, and respond to COVID-19. This allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was signed by President Trump on March 27, 2020, to respond to the growing effects of this historic public health crisis.

The AMENDMENT to the Annual Action Plan for Fiscal Year 2019 and Consolidated Plan FY2019-2023 (the Plans) for the City of Douglas has been prepared in response to a consolidated process developed by the U.S. Department of Housing and Urban Development (HUD) for the Community Development Block Grants (CDBG) program.

The City participates in the CDBG program and is required to prepare and submit an annual action plan for HUD approval in order to receive Community Development Grant Funds.

The Annual Action Plan is a document for the City, which outlines how program funds will be expended during the funding cycle, and it provides a basis for assessing performance.

SUMMARY OF PLAN DEVELOPMENT PROCESS

As part of the Plan development process, a public hearing will be held on February 28, 2024 at 5:15 p.m. at City Hall. The purpose of the public hearing was to obtain the views of citizens, public officials and agencies and other interested parties regarding the housing and community development needs of the jurisdiction.

The plan lists, by level of government and by private sources, all resources and programs expected to be available to the City for use in carrying out its housing activities. Each entry includes a short description of the program or resources.

This plan sets forth a description of activities for the use of funds that are expected to become available during the coming Federal fiscal year, determines goals for individuals and households to be served, and describes the implementation plan and geographic location of the activities to be undertaken.

The draft plan amendment proposes to reallocate CDBG-CV3 funds from a Community Garden project to Public Facilities Improvements - contactless water stations at city parks. The amount to be reallocated is \$22,913.23 for the purpose stated above.
