

Embracing our Heritage, Advancing our Future

September 30, 2024

Dear Community Organization,

On behalf of the City of Douglas and the American Legion, we invite your organization to become a valued sponsor of a meaningful community initiative that honors our local heroes. We are proud to announce the launch of the Military Banner Program, aimed at installing a series of personalized banners in our historic downtown on G Avenue and other areas of our community. These banners will pay tribute to those who have served in the armed forces, ensuring that their dedication and commitment are remembered and celebrated by our community.

To bring this vision to life and keep the cost of banners free for our military heroes, we are seeking the support of community organizations like yours to help fund the program. Your sponsorship will directly cover the production, installation, and maintenance of these banners. In appreciation of your generous support, we will feature your company's name and logo on the program's website and acknowledge your organization's contribution on our social media platforms. Additionally, your sponsorship may qualify as a tax-deductible contribution, providing you with a potential tax benefit.

Please find attached a sponsorship package that outlines the various levels of support available. We are happy to discuss these options in more detail and answer any questions you may have.

Thank you for considering this opportunity to make a significant impact in our community. We look forward to the possibility of collaborating with you to celebrate and honor our military veterans. If you have any questions, concerns, or are interested in becoming a sponsor, please do not hesitate to contact my office by emailing Carlos.Valdez@Douglasaz.gov or calling (520) 417-7303. Thank you for your time and consideration.

Sincerely,

A handwritten signature in blue ink that reads "Ana Urquijo".
