PUBLIC WORKS DEPARTMENT
NOTICE OF INTENT TO REVISE FLOOD HAZARD INFORMATION

The City of Douglas Public Works Department, in accordance with National Flood Insurance Program regulation **65.7(b)(1)**, hereby gives notice of the City of Douglas' intent to revise the flood hazard information generally located between **15th Street and the International Border**. Specifically, the flood hazard information will be revised along the **Rose Avenue Channel**, from a point approximately at the intersection of **15th Street and the Rose Avenue alignment** to a point approximately **400 feet west of the intersection of Chino Road and the International Border**.

As a result of this revision:

- The **floodway** will narrow and/or be established.
- The **1-percent-annual-chance water-surface elevations** will decrease and/or be established.
- The **1-percent-annual-chance floodplain** will narrow or be established along the Rose Avenue Channel.

Maps and detailed analyses of the revision can be reviewed at the City of Douglas Public Works Department, located at 425 E. 10th Street, Douglas, AZ 85607.

Interested persons may contact Karl Rockwell at pwinfo@douglasaz.gov for additional information, Monday through Friday, from 8:00 a.m. to 5:00 p.m.

Karl Rockwell, P.E.
Public Works Director/ City Engineer
